

### REMARKS

Applicants respectfully request consideration of this application as amended.

As a preliminary matter, in the Office Action mailed July 17, 2003, the Examiner requested that applicants provide the IDS references that have been lined through on the IDS, stating that those references were not provided with the application. Applicants respectfully submit these references were submitted along with their corresponding information disclosure statement as evidenced by the copies of the return postcards with the PTO date stamp showing that the PTO received these references. Nevertheless, applicants are resubmitting copies of these references with an IDS being submitted herewith the response.

Applicants respectfully request that the Examiner indicate that these references have been considered and made of record.
